RE: Reference for LORELLA PALTRINIERI

I can confirm that the freelance translator Lorella Paltrinieri (Italian taxpayer's code: PLT LLL 60M58 F25N) has been doing sworn and non-sworn translations of different deeds and Agreements into and from English and French since 1990, commissioned by our law office or by some of our Clients.

She carried out each and every assignment with competence and commitment, by requesting us or our Clients to provide her with all the required explanations and preliminary relevant information material, in order to fully understand the source text. In so doing, she demonstrated her reliability and dependability in performing her job before swearing her translations before the Court and her timely delivery.

I have always been satisfied with the work she carried out and I recommend her to anybody looking for a committed translator, with consolidated, professional experience.

Best regards,

Francesco Silipo, Lawyer
